## BIENVENUE A NOTRE RESEAU SOCIAL!

**We will be using the Learning Management System Schoology in French class in order for students to practice predesigned study materials to increase fluency, accuracy and confidence in the material being studied.**

Due to the nature of the forum, we will have some ground rules. Students, you will not be creating profile information, and neither will you use the status update option on the profile page. Please follow assignment requirements only. Students will need to create and minimum of one new topic and one comment (two comments max) each week. At times, our discussion will have an assigned topic, but other times it will be free discussion. At all times, it must remain relevant to the purpose of the assignment, and must adhere to the core principles of our school. We will only use appropriate content- text and pictures- and all of our comments will be respectful to one another. If at any time you choose not to follow these guidelines, you will be removed from the system with no alternative way to complete the weekly tasks. If you have any doubts about an issue, please see Madame before you post!

REMEMBER (until further notice):

- NO ENGLISH
- NO PROFILE INFORMATION
- NO BLOGGING (at this time)
- NO PRIVATE MESSAGING
- NO INAPPROPRIATE MESSAGES
- NO STATUS UPDATES (at this time)
- NO NEW COMMUNITIES
- NO FOLLOWING OTHER STUDENTS

Be smart. Have fun. Let's practice and see the progression of our language throughout the year!
